Commissioner of Patents and Trademarks

On 23 October 2000 the Office received a revocation of Power of Attorney (POA) and assignment of a new POA, naming Tomas M. Rizzo and Kening Li. Also received with the POA was a change of address. On 20 December 2001 a response was received from Mansour Samadpour, sole inventor of the subject application. The response from applicant has been placed in the file but has not been acted upon, as the Office does not engage in dual correspondence. (MPEP 402.10) To date no letter has been received from applicant whereby the authority granted to individuals identified in the POA has been revoked. Similarly, no letter has been received from the above-identified attorneys wherein they request to be withdrawn from the subject application. (MPEP 402.06) In the event that applicant wishes to continue prosecution of the subject application without the advice of counsel, applicant must first revoke the power of attorney previously granted to same. To that end, a copy of form PTO/SB/82 is attached hereto. Alternatively, if applicant's counsel wishes to withdraw, then they are requested to file papers requesting such action be taken. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
